

# PWI Brussels Volunteer

The Professional Women International Brussels welcomes you!

## ***Considering being a volunteer?***

Happy to hear you're considering being a volunteer within our association. Important sharing:

### ***Our vision:***

Accelerate gender balanced leadership by focusing on helping professional women grow and succeed.

### ***What can you do:***

- Manage, contribute to different size projects, as you chose according to your availability (events, communication, membership, ect..)
- Prioritise a variety of tasks effectively
- Find creative solutions to new challenges
- Research and analyse information and report your findings (for ex. Membership analyses, benchmarking with other associations, events venues, ect..)
- Build your network across the association, public and private sector
- Take full advantage of the rich variety of different learning opportunities through programs, networking, events

### ***What is required?***

- Ability and willingness to adapt to change and **respectful** and agile mindset
- The willingness to build strong relationships with key stakeholders, **be inclusive** and influence others
- To be a self-aware team player who actively **collaborates** with others
- A self-motivated/proactive approach and aiming for **excellence** in what you do
- **Courage** to change ourselves in order to change the world around us
- To be a clear and effective communicator
- To be interested in people and their development
- Have the desire and can act to help other professional women grow and succeed.

## ***Who Will Benefit from your volunteer experience?***

### **You**

- Will become more aware personally, learn new professional insights, create networks, get to know tools and methods and be able to independently apply the learning to personal life and professional business challenges.
- Will be able to share your knowledge within a safe and professional network.
- Are welcome to volunteer and facilitate sessions at PWI Brussels.

### **Your Company**

- Benefits from the insights, experiences, network you will bring to your company.
- Benefits from your ability to get the outside – in perspectives and apply up-to-date knowledge to the specific context of your sector or business.
- Have the opportunity to capitalize on your enhanced networking and leadership skills allowing future company objectives and strategies to be met.

### **Our Society**

- Can benefit from you as a volunteer to help change and improve your environment.
- As part of a community of global volunteers you will forge solutions to society's most pressing challenges on women matters.

Visit [www.pwi.be/volunteers](http://www.pwi.be/volunteers) to get in touch with and explore the different roles where you can contribute.

We are looking forward to welcome you!
